

## REMINDER NOTE

### *EXPLORE Charles City Gifted & Talented Program*

Parents & Students

# ATHENIAN SECRET

A simulation of a Greek treasure hunt requiring fundamental arithmetic operations, logic, and problem solving

Student teams will:

- I. choose a logo symbol and design a Greek flag for their team
- II. enter various buildings on our map of Athens, and solve another puzzle
- III. become familiar with some of the Greek gods, goddesses, mathematicians, and some background of ancient Greece
- IV. receive clues to decipher the secret message to uncover the formula

Web site links from my *EXPLORE* site can be used at home or school to expand their knowledge during the simulation and all year
